

## Tropical Storm Barry - CAT response services

July 11, 2019

Tropical Storm Barry is developing in the Gulf Coast and is expected to make landfall as a hurricane on Saturday, July 13. Sedgwick would like to ensure our clients know that we are here to help.

Our catastrophe (CAT) team is ready to deploy quickly to respond to property claims, inspect losses and manage the post-disaster claims process for our clients and their policyholders. Sedgwick's adjusters have an average of 25+ years of experience handling all types of residential and commercial claims, including large, complex and catastrophic losses.

We can also connect you with [Sedgwick repair solutions](#) for assistance with board-ups, roof tarps, water mitigation, emergency repairs, temporary power and general construction. Our team offers customized restoration and mitigation services through a network of certified local, regional and national contractors.

With the largest pool of resources in the industry, Sedgwick is prepared to respond to our customers' claims handling needs. Our highly qualified adjusters can act quickly to assess and manage disaster-related claims for commercial property, general liability, builder's risk, business interruption, energy, boiler and machinery, homeowners, heavy equipment, inland marine, marine survey, cargo and agriculture.
