Typhoon Lekima hits eastern China – CAT response services

Typhoon Lekima made landfall in eastern China near Shitangzhen on Saturday, August 10 around 1:45 a.m. local time. According to reports from a state agency and local emergency management bureaus, Lekima has caused at least 48 deaths and damaged 900,000 acres of crops and more than 36,000 homes. Sedgwick would like to ensure our clients know that we are here to help.
