

Cunningham Lindsey Indonesia announces the opening of new office in Pekanbaru

JAKARTA, 9 September 2019 – Sedgwick, a leading global provider of technology-enabled risk, benefits and integrated business solutions announced today the opening of PT. Cunningham Lindsey Indonesia's new office in Pekanbaru, Sumatra, following the acquisition of the company by Sedgwick in 2018. Drawing on resources and professional experience from the global network, PT. Cunningham Lindsey Indonesia will continue to operate and offer quality services and support to clients on a business as usual basis. The company will rebrand under the Sedgwick name in 2020.

PT. Cunningham Lindsey has always paid close attention to business growth and client development in Indonesia as the largest market in Southeast Asia, and is offering professional services to many companies in the insurance sector in the region. The Pekanbaru office becomes the fourth Sedgwick office in Indonesia, in addition to those in Jakarta, Surabaya and Balikpapan, which will be available immediately to service clients in Sumatra and the rest of western Indonesia.

The opening of the Pekanbaru office represents the strategic expansion of PT. Cunningham Lindsey operations in Indonesia and is a testament to the company's commitment to becoming a regional industry and market leader.

Furthermore, PT. Cunningham Lindsey has also promoted Arisandi from senior adjuster to branch manager of the new office in Pekanbaru. Arisandi has a mechanical engineering background and began his career in the energy industry as a junior engineer before becoming an applications engineer. He then joined an oil & gas and mining service company as estimation engineer. Arisandi joined PT. Cunningham Lindsey Indonesia in December 2010 and he will be supported by Parindragala Panjaitan, who is a civil engineer currently based in the Jakarta office.

Paul Hough, president director of PT. Cunningham Lindsey Indonesia said: "I'm confident that the new office and the appointment of Arisandi is a great opportunity for us to deliver long-term sustainable growth and benefit our customers and partners in the market. Our priority now is to continue to provide professional adjusting services as before and ensure that our commitment to our clients remains steadfast."
