

Sedgwick announces Cunningham Lindsey Australia service offerings will operate with the Sedgwick brand

SYDNEY, September 6, 2018 Sedgwick – a leading global provider of technology-enabled risk, benefits and integrated business solutions – continues to align its enhanced resources around the world by announcing today the integration of operations, colleagues and services in Australia. Following the strategic [acquisition of Cunningham Lindsey](#), Cunningham Lindsey in Australia will now operate under the Sedgwick name.

Under the unified brand, the team in Australia is now part of the largest claims management organisation in the world and will continue to deliver the same highly valued products and services to clients. In addition, these local experts will have the support of Sedgwick’s unrivalled global knowledge and access to high quality training, best industry practices and global resources.

“We know that our clients value our services, and our high standard of operations will continue uninterrupted. Under the Sedgwick name, our capabilities will be enhanced by greater investment in technology via digital and automation, quality, people, and global reach,” said Diego Ascani, CEO for Sedgwick in Australia. “We will now be able to service our global corporate clients in Australia with the full suite of Sedgwick’s services and product range.”

With the integration of the two companies, Sedgwick in Australia will benefit from an extensive list of clients who are very interested in the size, scale and global reach of the company. As part of the biggest third-party claims administrator (TPA) globally, the team in Australia will have an even greater ability to support clients’ future needs, including during periods of surge and CAT.

“The brand change forms part of our planned expansion of the market leading international businesses. Having completed the acquisition, Sedgwick is now perfectly positioned for growth internationally and we have a tremendous opportunity to offer an end-to-end service solution to our new and existing clients around the world. Our strategic vision is to align our complementary services and further grow the reach to a scale that will shape and define the enhanced expertise and talent we can offer,” said Ian V. Muress, CEO of Sedgwick International.

Sedgwick today has 21,000 professionals across 65 countries, providing best-in-class business solutions to employers, insurance companies, brokers, policyholders and consumers around the world. With the expanded footprint and technical resources, Sedgwick offers an unprecedented and unparalleled breadth of services and depth of expertise to meet the complex needs of more clients in more locations than ever before.

Using the Sedgwick name and logo across all markets allows the company to build upon the strong reputations of both firms and further reinforces Sedgwick’s position as the industry leader.

“Our unified identity is rooted in our commitment to deliver the highest standard of customer experience through ‘caring counts’ by doing the right thing, having the right person at the right time and at the right place. We are proud to continue serving as a trusted partner to our clients and look forward to sharing our expanded and improved range of services,” Ascani said.

ENDS

About Sedgwick

Sedgwick is a leading global provider of technology-enabled risk, benefits and integrated business solutions. We provide a broad range of resources tailored to our clients’ specific needs in casualty, property, marine, benefits and other lines. At Sedgwick, **caring counts**[®]; through the dedication and expertise of more than 21,000 colleagues across 65 countries, the company takes care of people and organizations by mitigating and reducing risks and losses, promoting health and productivity, protecting brand reputations, and containing costs that can impact the bottom line.
