Hurricane Dorian update – CAT response services for the Bahamas

Hurricane Dorian's damage to the Bahamas is unprecedented. After days of destructive winds, heavy rain and storm surges, we are beginning to learn the breadth and depth of the losses to businesses and infrastructure on the islands.

To those impacted – We are with you and we are here to help. Sedgwick's global catastrophe response team is onsite on Great Abaco Island and will make daily trips to Grand Bahama Island to support clients and their insureds during this difficult time. Our property team, listed below, is ready to answer questions and offer immediate assistance.
