

Sedgwick announces Cunningham Lindsey Oman service offerings will operate with the Sedgwick brand

OMAN - 8 July 2019 – Sedgwick, a leading global provider of technology-enabled risk, benefits and integrated business solutions – continues to align its enhanced resources around the world by announcing today the integration of operations, colleagues and services in Oman. Following the strategic [acquisition of Cunningham Lindsey](#), Cunningham Lindsey in Oman will now operate under the Sedgwick name.

Under the unified brand, Sedgwick Oman is now part of the largest claims management organisation in the world and will continue to deliver the same highly valued products and services to clients. In addition, these local experts will have the support of Sedgwick’s unrivalled global knowledge and access to high quality training, best industry practices and global resources.

Sedgwick today has 21,000 professionals across 65 countries, providing best-in-class business solutions to employers, insurance companies, brokers, policyholders and consumers around the world. With the expanded footprint and technical resources, Sedgwick offers an unprecedented and unparalleled breadth of services and depth of expertise to meet the complex needs of more clients in more locations than ever before.

With the integration of the two companies, Sedgwick in Oman will benefit from access to global resources to support local and regional needs. As part of the biggest third-party claims administrator (TPA) globally, the team in Oman will have an even greater ability to support their prospective clients’ future needs, in both general property areas as well as specialist fields within the heavy industrial, business interruption, liability, marine, engineering, energy and resource sectors.

“The brand change forms part of our planned expansion of the market leading international businesses. Having completed the acquisition, Sedgwick is now perfectly positioned for growth internationally and we have a tremendous opportunity to offer an end-to-end service solution to our new and existing clients around the world. Our strategic vision is to align our complementary services and further grow the reach to a scale that will shape and define the enhanced expertise and talent we can offer,” said Ian V. Muress, CEO of Sedgwick International.

Using the Sedgwick name and logo across all markets allows the company to build upon the strong reputations of both firms and further reinforces Sedgwick’s position as the industry leader.

“This integration will be a welcome opportunity to continue to support our clients’ business needs with access to greater global resources and best practice” said Carl Roberts, country manager of Sedgwick Oman.
