

## **Sedgwick appoints Jenny Teo head of forensic advisory services for Asia**

**SINGAPORE**, 16 May 2019 – Sedgwick, a leading global provider of technology-enabled risk, benefits and integrated business solutions, announced the appointment of Jenny Teo as head of its forensic advisory services division in Asia.

In her new role, Teo will lead the division's team of skilled professionals in delivering first-class service to clients and expanding Sedgwick's forensic advisory services in Asia. She will work closely with the company's major and complex loss division and adjusters across the industry on catastrophe and major loss quantification.

Teo brings significant industry experience to the position, having been involved in forensic accounting investigations since 2002. Her areas of expertise include commercial litigation disputes, arbitration work measuring economic losses/damages in breach of contract/tort and fraud investigations, as well as analytical reviews of financial information, financial data mining, reconstruction of accounting records and reconciliatory processes.

Teo is a qualified chartered accountant with a strong reputation for thoroughly understanding business interruption and advanced loss of profits. Prior to joining Sedgwick in 2016, she worked on numerous business interruption and fidelity losses of various scopes and sizes for attorneys and insurers in the Asia-Pacific region. She has also been involved in the valuation of business assets and equity for use in business planning, financing decisions and financial reporting.

Teo's extensive industry experience covers multiple sectors, including financial services, construction, electronics, government/regulatory agencies, health care, hotel and hospitality, energy, manufacturing, mining/metals, retail and small-to-medium enterprises (SME), technology and telecommunications, and waste management and recycling.

"I am extremely proud to promote Jenny to lead our forensic advisory services division in Asia. Our Asian operations have gone from strength to strength, including several high-profile new hires in 2019. Adding a veteran of Jenny's caliber to the ranks of our senior management team further solidifies Sedgwick's position as the industry leader in the Asia region." said James Ong, Sedgwick CEO, Asia.

"Jenny has been with us for three years and has played a pivotal role in growing the team into what it is today. I would also like to acknowledge Adrienne Kouwenhoven's contribution to the development of our accounting capability in Asia. We are very pleased with the growth forensic advisory services has enjoyed in Asia and globally," said Mark Thompson, Sedgwick global head of forensic advisory services.

**About Sedgwick**

Sedgwick is a leading global provider of technology-enabled risk, benefits and integrated business solutions. We provide a broad range of resources tailored to our clients' specific needs in casualty, property, marine, benefits and other lines.
