Sedgwick completes acquisition of VeriClaim

Transaction includes all T&H Global subsidiaries

MEMPHIS, Tenn., October 1, 2014 – Sedgwick Claims Management Services, Inc. (Sedgwick), announced today that it has completed its purchase of T&H Global Holdings, LLC and its subsidiaries (T&H).

The acquisition brings to Sedgwick the people, business resources and global market presence of T&H's subsidiaries, which include VeriClaim, Inc., VRS VeriClaim U.K. Ltd, Unified Investigations & Sciences, Inc., Cramer, Johnson, Wiggins & Associates, Inc., (CJW) and Ellis May Chartered Loss Adjusters. Through these subsidiaries, T&H provides specialized claims services—such as property loss adjusting, field investigation, third-party claims management and fire and forensics investigation services—that notably complement Sedgwick's existing capabilities.

“Together, Sedgwick and the VeriClaim and T&H companies offer the combined expertise of more than 12,000 experienced and talented colleagues,” said David A. North, president and CEO. “The addition of capabilities in property adjusting services, specialized desk-top offerings and forensic investigations will allow us to respond in a more comprehensive manner during the times when our clients need us the most.

“Today's closing not only expands our international footprint so that we can better serve clients who operate globally, but also reinforces Sedgwick's position as the leading provider of specialized claims and productivity management solutions,” North said.

“We are excited to officially join the Sedgwick organization today,” said Michael Arbour, president and CEO of T&H Global Holdings, LLC. “By joining forces, Sedgwick and the T&H companies will be able to provide the industry's most robust menu of multifaceted claims services to meet the ever-changing needs of our clients.”
