Inaugural 5K Fun Run at RIMS conference raises \$12,500 for Spencer Educational Foundation

MEMPHIS, Tenn., May 11, 2015 – Sedgwick Claims Management Services, Inc., the leader in technology-enabled claims and productivity management solutions, proudly served as the naming sponsor of the inaugural Spencer 5K Fun Run, raising more than \$12,500 to support the Spencer Educational Foundation’s mission of funding the education of tomorrow’s risk management and insurance leaders.

The April 28 event was held as part of the Risk and Insurance Management Society (RIMS) 2015 Annual Conference and Exhibition in New Orleans. Nearly 180 runners participated in the early-morning race, which covered 3.14 miles through the city’s scenic downtown waterfront.

“The Spencer Foundation works to ensure that our industry continues to attract and educate talented individuals with a passion for risk management and insurance,” said David A. North, president and CEO of Sedgwick and a member of the foundation’s board of directors. “Sedgwick was proud to support the 5K Fun Run as part of our commitment to developing the industry’s next generation of professionals and leaders.”

The educational and charitable foundation is the premier organization awarding scholarships and grants in risk management and insurance, facilitating internship opportunities, and providing risk manager-in-

residence programs to universities. Since its founding in 1979, the Spencer Educational Foundation has awarded more than 740 scholarships totaling \$5.3 million and \$2.2 million in grants to universities and professional institutions for educational programs and conferences.

The foundation is named for the late Robert S. Spencer, who served as president of RIMS from 1977 to 1978. It is an affiliate of the national RIMS organization and supported by individuals, corporations, local RIMS chapters and fundraising events like the 5K Fun Run.

“The race was an exciting new addition to the program offerings at the RIMS conference and a terrific avenue for raising funds and awareness for the work of the Spencer Foundation at the largest annual event in our industry,” said Brion Callori, chairman of the foundation. “We hope that this year’s 5K Fun Run was the first of many to come, and we’re looking forward to continuing the momentum at the RIMS 2016 conference in San Diego.”
