

Vericclaim acquires Farrell & Associates

NAPERVILLE, Ill., April 25, 2016 – Vericclaim—a subsidiary of Sedgwick Claims Management Services, Inc., and global provider of loss adjusting and claims management services—has acquired the assets of Farrell & Associates Insurance Claims Services, Inc., an independent claims management and investigative firm based in Portland, Oregon, serving the needs of insurance carriers, public entities, defense attorneys and self-insured companies in the Pacific Northwest.

Mike Farrell, a 30-year veteran of the casualty claims business, founded the company in 1995. Under Farrell’s leadership, his eponymous firm established a regional reputation for excellence and strong relationships with area public entities and corporations. As part of the transaction, he and his colleagues will join the Vericclaim organization.

“The addition of Mike Farrell and his knowledgeable team of adjusters to the Vericclaim organization greatly strengthens our presence in the Pacific Northwest,” said Vericclaim CEO Michael Arbour. “Together we can offer customers an unparalleled depth of resources and level of care.”

“For nearly 40 years, Sedgwick has focused on the care of people in the casualty and disability claims process,” said David A. North, president and CEO of Sedgwick. “Investing in the continued growth of our Vericclaim family of companies enables us to apply our **caring counts**SM philosophy to the property loss space. With expanded capabilities and more resources on the ground nationwide, we are better positioned than ever to be where our customers need us when they need us most.”
