Forward thinking 2019: Trends to watch this year

This year, Sedgwick is celebrating 50 years in business. Along the way, we have adapted our offerings to help manage the wide array of issues facing our clients. They can count on us for the solutions and expertise they need as their businesses evolve. To ensure we provide the best possible service, our team stays at the forefront of trends impacting our clients and their employees, customers and businesses. Today, Sedgwick published its [Forward thinking 2019](#) list, which includes major industry trends to watch this year. Our thought leaders believe the following topics will be important in 2019, and we will continue to monitor them throughout the year.

- Preparing for emerging risks
- Embracing next-level technology
- Moving forward with new healthcare strategies
- Broadening claims expertise as needs change

More details on the [Forward thinking 2019](#) list are available in our [press release](#).

Thank you for your continued partnership, and we look forward to working with you this year.

Sincerely,

A handwritten signature in black ink that reads "Dave".

Dave North
President and CEO
